PRESS RELEASE June 12, 2018

For immediate release

**Taiwanese Canadians to protest at Air Canada offices in Montreal Thursday June 14**

Taiwanese-Canadians from Montreal, Toronto and Ottawa will demonstrate in front of Air Canada's corporate headquarters to protest the airline changing its designation for Taiwan on its website to "Taiwan, China" and "Taipei CN". The protest is organized under the umbrella of the Taiwanese Canadian Association, supported by many other Taiwanese Canadian groups.

Protesters will condemn the illegal demands made on international airlines by the Chinese Communist Party to list Taiwan as part of China; demand that the government of Canada stop pretending that this is a "purely commercial matter" and stand up to China; and to Air Canada to work with other airlines who are resisting the Chinese demands.

**Location: In front of Air Canada head office,  
7373 Côte-Vertu Blvd. West, Saint-Laurent, Québec**

**Time: Thursday June 14, from 11AM to 1PM**

Organizers will be available for interviews during the demonstration.
